

Now that KIDS' CLUB is back in our newly renovated space at Town Center, we have a new entrance. To enter KIDS' CLUB, please use the single door adjacent to the circle between Town Hall and the Town Center Building. There you will soon find parking places designated for KIDS' CLUB families. These spaces can be used by all those with an official KIDS' CLUB parking sticker. Parking stickers will be made available to KIDS' CLUB families at the front desk during the first few weeks of school. Thank you for your kind cooperation.
